CV VDMA President - Carl Martin Welcker

Carl Martin Welcker was elected VDMA President by the VDMA General Assembly in Berlin on November 11, 2016.

Carl Martin Welcker, born 1960, completed an apprenticeship as a machine tool mechanic after obtaining his secondary school qualification (Abitur). After graduating in industrial engineering, he worked at Klingelnberg Söhne, a machine tool manufacturer, and at an American knife and saw manufacturer. In 1992, he joined the family-owned company Alfred H. Schütte KG based in Cologne.

He has been CEO of Alfred H. Schütte GmbH & Co. KG (Cologne) since 1993.

Welcker has been involved with the VDMA as member of the Main Board since 2001. In his role as Vice President and Treasurer, he has been heading the activities of the Association since 2011.

Furthermore, Mr. Welcker holds several honorary offices.
